Can you please have Kevin Kennedy's testimony on SB 94 drafted as an amendment? Thank you.

Senate Bill 94

Senate Bill 94 relates to the method of reporting elections. The bill would allow any municipality with a population of 35,000 or more to combine wards with adjacent wards. G.A.B. staff has previously reviewed this bill. The proposed legislation provides valuable flexibility in tallying and reporting election results. However, we support the bill only if it is amended to require a minimum of 100 voters rather than 20 voters for the size of the area. This is consistent with current provisions permitting the use of electronic voting equipment. See Wis. Stat. §5.40 (3)(a).
